### Comment text:

I Chair the Broomwood Partnership and am writing to let you know that since this has been brought to our attention we are totally opposed to this happening. The Broomwood Partnership has been running on and off for over 20 years. it aims to help Broomwood community (currently in Village ward) which is an area of social and economic need, and has been for many years. To ignore it as a community and cut it in half and share it between two wards (Timperley Central and Hale Barns & Timperley South) is contrary to your own rules and as blow to local democracy. Broomwood Primary School (note NOT Timperley Primary School) sits in the centre of Broomwood as does the Broomwood Wellbeing Centre with the Broomwood Park being adjacent to both. Broomwood's Medical Centre (housing the doctor and the Dentist) as well as the shops (housing the Broomwood Pharmacy and the Broomwood Post Office) and the local Care Home are ALL on (or adjacent to) Mainwood Road. Mainwood Road is THE main road that runs through the Heart of Broomwood. Your current plans run down Mainwood jumping from one side to the other and cuts right through the heart of Broomwood. The Broomwood is serviced by a bus that runs to Broomwood from Altrincham and back again. The number 11. Broomwood in our eyes is enclosed by Timperley Brook, Shaftesbury Ave, Thorley Lane and Ridgeway Road. Always ahs been and always will be. Please do seriously reconsider your draft plans for is they stay unaltered it will be like a dagger in to the heart of our community Thank you Paul Huxley Chair of the Broomwood Partnership
