

## Liverpool City Council

### Personal Details:

**Name:** Sheila Devlin

**E-mail:**

**Postcode:**

**Organisation Name:** Norris green community health forum

### Comment text:

We as the Norris green community health forum provided care for children and there families right across Norris green area and we support in having 3 councillors in are ward ,this makes them more accessible for families and my organisation. The Norris area has so many complex issues I think that we need 3 to cover the problems .
