### Comment text:

As the Scout Leader for 2nd Wombridge Scouts based in the Wakes Community Centre, Oakengates I have families from across ward of Oakengates & Ketley coming to my scout group and all using the facilities in Oakengates which is seen as the centre of our community. The children all go to school in Oakengates and use doctors and dentists in Oakengates. None of these families use any facilities in Ketley and have no means of transport to get there, with a dangerous dual carriage way to cross if they try to do so.
