Comment text:

We are writing on behalf of the Ketley Bank Residents Group. We are dismayed at the proposals which have been put forward which separate Keltey Bank from our town of Oakengates. We cannot convey just how strongly we feel about this - KETLEY BANK MUST NOT BE PUT WITH KETLEY, WE ARE OAKENGATES. The following reasons were put forward by our members: - Our children and grandchildren attend the nurseries and schools in Oakengates. - We use the community centre in Oakengates. We go there for the senior social activities every week. - I go to the doctors in Oakengates - this is where I am registered. - I always go to Oakengates market on a Saturday, I've been doing this since I was a kid, for the past 70 years! - I can't get the bus to Ketley, and even if I could, there's nothing there for me. Oakengates is my town. - If it's not broke, don't fix it. We are perfectly happy with the councillors and boundaries we've already got. - We look forward to the summer outing from Oakengates Town Council every year, it is so lovely to see our friends from right across Oakengates, Ketley Bank, Beveley and Wrockwardine Wood. Please don't make this end. - I can't cross a dual carriageway (with 4 lanes of traffic!) just to go and vote or see my councillor. Currently, I hop on a bus or go to one of our meetings at the community cottage in Ketley Bank, this is convenient for me. - It's madness to be put with Ketley, we don't have anything in common. They look down on us and we don't want that. Please take our concerns seriously and act on what we have said. KETLEY BANK SHOULD NOT BE SEPARATED FROM OAKENGATES. (This is being sent on behalf of the Ketley Bank Residents Group by the Locum Town Clerk for Oakengates Town Council)
