Comment text:

The Leegate Centre CIC is an organisation for all the community. We have links with Hadley and Leegomery that attend from all areas. Leegomery with local sports teams including Sunday League football, bowls clubs based at Hadley Rest Room and Hadley United Services Club, and voluntary groups such as Hadley 5-O and You, Me, and Us, the latter a recently-formed group that emerged from a Royal Voluntary Service project targeting social isolation and vulnerability amongst older residents in defined areas of deprivation and need within Hadley and Leegomery (but, significantly, not extending to Apley). With this as a community hub we agree with the t and W recommendations to keep hadley and leegomery And to keep the 2019 ward arrangements of the parish to meet the community needs
