Organisation Name:

### Comment text:

I disagree with the proposed changes to Queenhill and Holdfast. They will become part of the Ripple Ward, despite the presence of the River Severn slicing the Ward in two. As a former Vice Chairman of Longdon, Queenhill and Holdfast Parish Council, I believe these parishes would be diminished by severing their association with their nearest neighbour of Longdon Parish. Separately, I have no objections to my own property moving into Welland Parish.
