### Comment text:

I have lived in the area most of my life and have been resident in Holdfast for the last 29 years. Queenhill, Holdfast and Bushley should not be moved to the Ripple ward. The river Severn is a major barrier with no crossing point and no cross community interaction. Consideration should be given to lessening the Longdon ward size by enlarging the Welland ward. The Ripple variance is difficult to address. Perhaps it could be merged with Upton on Severn ward and have a 2 councillor representation.
