I think Pickersleigh ward has been squeezed out by the Link and Priory wards. Cedar Avenue, Meadow Road, Pickersleigh Grove, Harbinger Avenue (Tomato Land) and Hayslan are all closely connected estates with connections to the catchment of The Grove Primary School, the only primary school under Pickersleigh ward. Everywhere West of the train track, North of Madresfield Road and South of the Link Common I would regard as Pickersleigh and can be easily identified by those man made and geographical boundaries.
