A Council of 147 members is quite ridiculous, absolute lunacy!!!! I suspect much of this is due to the "jobs for the (loyal) boys" from the old councils. There is no need for more than one councilor for each ward as in most wards all the councilors are from the same political party and all "toe the party line" when it comes to voting. I would expect Bucks Council to consist of no more than 50 councilors.
