Subject: Urgent: Buckinghamshire Councillors reduction proposal
Categories: Submissions, Matt

Hi there,

I'm emailing in regarding the proposal from the Liberal Democrat's party proposal of reducing the amount of councillors present at Buckinghamshire council.

I would like to support this proposal as it appears the council has too many councillors on its books and will of course save the council money going forward, at a time where it's likely they'll be increasing council tax in the up coming years.

Can you please advise if you need anything from me to support this proposal further? How will the decision be taken in deciding which councillors will be let go?

Kind regards,
