The further draft proposals have a ward named "Great Malvern & Pickersleigh". However this ward cuts through the middle of what is the current Pickersleigh ward. This has the potential to lead to confusion for people, who live in the current Pickersleigh ward but who will no longer be in the Great Malvern & Pickersleigh ward about who there elected representatives are. A way around this would be to rename the "Great Malvern & Pickersleigh" ward as "Great Malvern & Pickersleigh North" and rename "Barnards Green" as "Barnards Green & Pickersleigh South".
