I live in St Wulstans Drive, [REDACTED]. It is a lovely place to live and leads onto The Nature Reserve. We are surrounded by fields and sit very happily in an area of outstanding beauty. But once again we are having to fight to stay that way! If you put us in with Welland and Longdon we will just become a building site! Welland has changed dramatically in the last few years. It is unrecognisable with new building everywhere. We all enjoy being in the parish of Malvern Wells. Our children go to Malvern Wells school, which they can walk to. We enjoy our walking passes to the hills, which we would lose.. But most of all we love the tranquility of the area which we would surely lose if we are linked with Welland. There have been applications to put a huge number of houses in a field in Upper Welland, which thankfully we managed to stop. I don't understand what you are trying to achieve. How can we possibly be linked to Longdon , which is miles away from us. It is truly ridiculous!
