### Comment text:

Basically I have no objection to combining the parishes of Hallow, Broadheath, Grimley and Holt into one ward. However, I do object to it being named Broadheath Ward. Hallow sits in the centre of the ward and I believe historically is the principal parish. Hallow Parish Council, although small, efficiently get things done for the good of the village and communicate well with the community and as [REDACTED] Hallow Village Community Group, they are my first port of call if I need to relay anything I feel they can deal with. I am in favour of reducing the number of district councillors in order to save money.
