### Comment text:

We are currently in bucklow St Martins but we should be in the Ashton on Mersey ward I really think the little section top right of bucklow ward on the map that is ACTUALLY in ashton on mersey should either all be put into AOM or split either side of the spur with the north bit in AOM and the south bit in Urmston (although everything south of the spur is just farm/recreational land in any case). we have never felt properly represented by bucklow (in fact have no clue who the councillor is, have never seen or heard from them) and have a more vested interested in the goings on in AOM ward. would be nice to have this resolved with the new boundary changes
