Why has Old Trafford gone. It appears we are now Stretford. I don't recall any consultation on this. Or is it like this, ask the public for their opinion, then ignore it. Something like the seven sisters in Old Trafford, asked our opinion, and to date nothing built on the land. I would also like to know when your considering the disabled of Trafford. I have never had a suitable property in the 50 odd years. I have lived here.
