I live in Church Ward and have done so for more than 30yrs. I love the area; it is friendly, green and pleasant. Ward Councillors knock on our door from time to time and they listen to any concerns and they follow through. This is much appreciated. We shop local at the shops on Allerton Road; we use Allerton Library; and regularly visit Calderstones Park - the most beautiful park in Liverpool. I have no view on the boundaries as I can't see from the information supplied the proposed changes. It does seem to be a good idea to have a similar number of voters in each Ward. I was a Presiding Officer for 40yrs and loved the role. The information states, "currently 85 Councillors to be reduced by 5". However the projection shows 90 Councillors?
