### Comment text:

Its ridiculous to cut Croxteth Park in to two wards, especially given ongoing issues with motorbikes, poaching, litter and fly tipping, and general lack of investment into the park - not helped by current councillors barely lifting a finger. Splitting the area will make matters worse. The park entire, from West Derby village to Croxteth Brook, to the end of Dam and Craven Woods, and Croxteth Park estate, should all remain within the same boundary.
