### Comment text:

I have just a question. Why is any bit of Lancaster under Morecambe? If it has PA Lancaster it should not be under Morecambe. Aka Morecambe and Lunesdale. Lancaster should not split with either Morecambe Lunesdale or Lancaster -Fleetwood. It should be the whole city together with for example Morecambe/Heysham for elections. Wards close to innercity seems a bit small. Should be a bit larger?
