

## Lancaster City Council

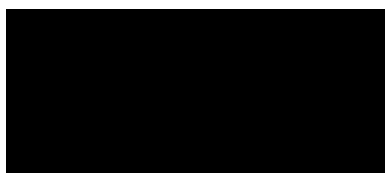

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:**

A large black rectangular box redacting the personal details of the user.

### Comment text:

If it makes things easier with less bureaucracy then I am all for it. You say, "You need to read and confirm the declaration before submitting." However, there isn't a box that you can tick without receiving further information, this is against GDPR rules. I am a GDPR Champion!
