### Comment text:

Please take this chance to unify Great Hollands as the thriving community that it has been for so long. We have one parade of shops, one library, one community centre and one health centre. Please make the boundary match. I have lived in Great Hollands for 50 years - 27 in Wheatley and 23 in Appledore - having come to Bracknell with [REDACTED] on 1st August 1970. I arrived as a young mum with a 6 month old baby and have lived my adult life here. I celebrated my 70th birthday at the end of December and the 50th anniversary of our arrival last Saturday and would love to see Great Hollands as one community, albeit with a third councillor if needed. Please consider this in your deliberations. Thank you Yours sincerely [REDACTED]
