### Comment text:

From the map, it looks like you're planning on joining The Parks up with Bullbrook. Bearing in mind that Harmans Water primary school is the catchment school for The Parks, and Holly Spring is the catchment school for Bullbrook I can see no sense in taking The Parks out of the Harmans Water ward. Residents of The Parks already have a unique set of challenges as a new estate too, which current HW councillors are aware of and it would help for that to continue.
