I am writing with regard to the proposals to change the wards for Great Holland's North and Great Holland's South. I agree with the Commission's proposals to put Great Hollands back together again, splitting it in the first place was an error. Great Hollands is a community. It was built as a whole with its own school, shopping centre, health centre, community centre and library. It is served by its own bus service and has no connection at all with Jennett's Park. I would disagree with the commission's proposals to give the name of Jennett's Hill to the community known as Jennett's Park. The community is signposted as Jennett's Park. The community centre and school are known as Jennett's Park, the bus service is called the Jennett's Park service. Jennett's Hill is a small part of the estate with no community attachment and it is rather baffling as to why the commission would think I t has anything to do with the. Immunity of Jennett's Park ....
