I am located in an area that will move into another ward (currently in Warfield Harvest Ride, proposal to move into Priestwood and Garth). Will these changes impact/change the parish I live in? I am concerned that my address will change and I will no longer be in Warfield. Are you able to provide further clarity on this? I also feel the communities in Warfield Harvest Ride and Priestwood & Garth are quite different, and Warfield Harvest Ride would be more suited to be included in the Binfield North & Warfield West ward.
