Comment text:

For too long Quelm Park has had no direct local Parliamentary representation, being part of Windsor and Maidenhead. The proposal to merge with Priestwood and Garth is unworkable and unacceptable, given the different demographics of the two areas. Quelm Park should not be hived off from the rest of Warfield. A far better solution would be to merge Quelm Park with Binfield North and Warfield West giving Quelm Park representation in line with the rest of Warfield.
