Hi, I am a resident of Murrow from Back Road. I strongly disagree with the proposed changes to the Fenland Wards as this will split the village of Murrow into two different Wards. Murrow as a village has a strong sense of community and these changes will impact the community groups spread across the wards but within the same village. Additionally, this change will create a complete overly large ward for Wisbech St Mary which will be divided by both the river Nene and the A47. These changes do not reflect the local community and should be rethought out.
