I live in Murrow and the proposal to split our small community into 2 separate council boundaries is just shocking!! I am part of the various community groups that we have in our current Parish, we have active street pride and speed watch groups who work tirelessly to make our villages safer and cleaner places. Along with two amazing hard working Councillors in Gavin Booth and Sarah Bligh. Your proposal would see our Parish and Village torn apart and our community groups not being able to continue AND our invaluable councillors who work so hard for our community and so we'll together, ripped apart! This is a ludicrous idea, which I see absolutely no benefit in at all. As a community we pride ourselves on the relationships we have formed within our Parish, within our small villages and with other residents and councillors alike. Why do you need to tear communities apart? Why do we need 42 councillors? Most of whom do nothing for their communities once they are elected! I very strongly oppose this split of wards/parishes and see only how it will bring down the community spirit and destroy the work that has already been achieved by our community groups
