Comment text:

I object to the breaking up of Parson Drove & Wisbech St Mary ward. Having lived in Parson Drove all my life and run a shop, I feel these changes will badly affect the villages. We did regular deliveries to all the villages in the existing ward and many customers used the shop in Parson Drove. The existing ward works well given all the connections across the communities and should be protected. There is poor connection with the villages in the new ward being suggested, so this will not work well for people or local governance.
