Comment text:

I wish to submit my objection to the proposed changes in the electoral boundaries by putting Leverington into the Wisbech area. Leverington is a lovely rural area and I feel very concerned that moving the boundary would destroy our unique village and be swallowed up into Wisbech. I have lived in Leverington for over 30 years and would like our village to remain as it is I know where to vote and who to vote for and do not wish for the name Wisbech Leverington
