### Comment text:

I live in Beverley and my children go to Oakengates Children Centre and the Nursery and my eldest goes to Wombridge Primary School. I use Oakengates for everything, Beverley doesn't have a nursery or anything, and I certainly couldn't use Ketley and cross the dual carriage way with young children and it is further to walk and the bus system is awful. Please do not move me into another area I love Oakengates and want it to stay as it is with my 3 councillors.
