I'm totally opposed to the proposed merger of Apley Castle and Leegomery wards. This will be a backward step and is not beneficial to the residents. This makes no sense when you're proposing to split Newport into four individual wards, so why can't Apley Castle remain as an independent ward!!!! If this happens then I would strongly consider not voting in any future elections as I believe this merger takes away the independence that our local ward offers when it comes to having my say on very local issues directly affecting me in the Apley Castle ward. Please stop this nonsense now. Thank you.
