I do not wish Dothill ward to merge with Shawbirch. I do not want the identity of Dothill to be diluted and I feel it is a totally unnecessary move forward. It will have no benefit to me or other residents of the Dothill community to merge with Shawbirch. Cllr Karen Tomlinson does a tremendous job for the Dothill community, I am able to email her regarding any issues or developments within the Dothill ward and she is always responsive and knows and serves the community well. I do not want this to change and see absolutely no benefit from a merger with the Shawbirch ward.
