I have lived in Hollyhurst Road, Wrockwardine Wood for over 50 years and Oakengates is my town. I do not want to be moved anywhere else, I use Oakengates for the doctors, chemists, and the great community centre where I attend the senior social every week. I have asked the Clerk to send this for me as I don't do the internet and don't have an email address. Oakengates is a great little town and our councillors work very hard, no way can that be done with only 1, it's ridiculous.
