Comment text:

It is very difficult as half my road is split into North Cheam and the other half is split into Epsom and Ewell. I am closer to North Cheam, Sutton, Morden etc than I am to Epsom but I come under Epsom and Ewell, Surrey. As Epsom and Ewell is further out, I do not identify this to be my local area. I identify North Cheam, Cheam Village, Worcester Park and Sutton to be. This is because these areas are closer to me and more easily accessible than Epsom and Ewell. I also access North Cheam and Sutton for work, leisure, gym, Dentist, hospital, access to public transport, shopping and food shopping. It is frustrating that I have just missed out on being classed as living in a London borough as I miss out on the London living wage, even though this is where I access most for work and it being my local area. By car it takes me 4 minutes to get to North Cheam, but 8-10 minutes to get to Epsom. I am closer to Sutton. Adding to my frustration is that I have seen petitions on Sadiq Khan making a toll tax to enter Sutton and Croydon. I do not support the toll tax. I live 4 minutes down the road from North Cheam, Sutton, which means every day that I go to and from work, shopping, visiting family and friends and the gym etc I will have to pay. I work in care too which means I have to travel around so this will become expensive. Since this will add up over the course of the year, I have to reconsider using facilities in Sutton which is closest to me as it will be costly with toll tax. I find leisure in Surrey very expensive so I am at a loss as will many other people be.
