Although you have not proposed any new wards, you fore cast an electorate increase of 264. Certainly I feel that Manea ward and parish should extend up to the 16 Foot and include all properties on the Eastern side of the 16 Foot that currently sit in the Doddington & Wimblington ward. However, the Southern and South Eastern edges would sit far better in other wards. For example Manea having a say on the Block Fen quarry works near Mepal seems absurd. Plus some of the farm and individual houses on New Road and Langwood Hill Road would seem to me to fit better within Charteris wards.
