

Publication of fees and expenses

The fees and expenses in the published tables relate to those directly claimed by the individual. Expenditure made centrally on behalf of Directors or Commissioners is not included here but held separately in the accounts. Expenses are reimbursed in line with our fees & expenses policy which is based on HMRC guidance.

The fee structure for Commissioners is agreed by a committee of MPs chaired by the Speaker (the Speaker's Committee). Fee increases for Commission members are based on the recommendations of the Senior Salaries Review Body (for High Court judges), to the extent that they are accepted by the Government. Appointment as a member of the Commission does not attract a pension.

The payment of allowances and expenses for both Commissioners and staff is governed by the guidance provided in our Fees & Expenses policy document.
