Dear Sirs

We are North East Bassett Residents Association (NEBRA) we have been asked to comment on the proposals to change the boundaries  
Of Southampton City Council.

This Association has been running for the past eleven years, and during this time we have had consistent interaction with our three Councillors,  
So from our point of view we would not support any changes to the boundary of Bassett.

With reference to the overall proposal, to make other wards more equal in terms of number of voters per ward, we would fully support this proposal, as we have tried to gain access to the number of voters per ward, without success, we are unable to recommend, nor comment on other wards.

We hope this information is helpful to you.

Yours faithfully

Barry Smith

Chair NEBRA,
