

## Southampton City Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:**

### Comment text:

I do not see any benefits in this move. Unless there are new wards to be added to Southampton, due to the city's expansion on the outskirts. This move would disrupt plans and communities. People have local arrangements and have a rapport with current councillors. The rearranging of the wards would cause confusion. The number of councillors should again not increase.
