I vote for no change

I have lived in [REDACTED] since 1985. I had several shops and a shop in St Marys street. I was a teacher at Southampton City College and now run activity well-being groups at Kingsland Community Centre SO14 1LF and at Challis Court SO14 3DQ. I am very happy to continue and remain as part of Bargate South. I do not want my areas boundaries to change to Bevois. I want no change and am happy with the service in my area and communities
