Comment text:

I feel that Garton Road, Cooper's Lane, the bit of Portsmouth Road that starts from the Itchen Bridge, Manor Road South, Portchester Road and Fort Road should remain in the Woolston ward as the people that live there associate themselves as living in Woolston and as living close to the centre of Woolston. They would never say they lived in Peartree or want to vote for a Cllr to represent them as the Peartree ward! Move Newtown Road, Peniston Close, Dyserth Close, Tenterton Avenue, Ticklford Drive and Wentworth Gardens into the Sholing Ward. The people that live there would not necessarily see themselves as living in, or close to Woolston and they are geographically closer to Sholing.
