Comment text:

Re proposed boundary changes bevois We have lived here for over 30 years For at least 10 years we have been active in the outer ave residents assoc OARA which is very effective in lots of ways . And has built up really good relationships with local councillors and local council departments. The new boundary going down ave Rd splits our area . Which would make those relationships more complex and difficult to maintain . Please leave our area as one Ward. Yours [REDACTED]
