Comment text:

My main comment is that I feel that the Wards should be linked/more similar to the Parish Council Boundaries. My specific comment relates to the discrepancy that exists between Duston and Upton Parish Councils and the wards of Duston East, Duston West & St Crispins and Sixfields. My view, as a Parish Councillor within Duston Parish, is that both Duston East and Duston West & St Crispins should be within Duston Parish Council and Sixfields should be within the Upton Parish Council. Currently, the way that the St Crispins Estate is within Upton Parish Council causes confusion and feelings of disgruntlement in terms of the understanding of the residents.
