Blisworth Parish Council would ask the review board to consider the following points as part of your decision: 1. That the reduction of councillors will inevitably increase the workload of our current District Councillor, Councillor Cooper (for the bugbrooke Ward). She provides a valuable help-line and access to up-to-date information to the residents of Blisworth and as such we would primarily suggest that any amendments to the ward boundaries are considered such that they do not increase her workload more than is necessary. 2. Blisworth Parish Council has worked hard to develop a positive relationship with other local parish councils and as such feel that proximity in devising ward boundaries is important as we have shared/similar issues with other local parishes and our District Councillor is aware of those shared issues. 3. Our most pressing concern is that we do not wish to lose the expertise and support from District Councillor Cooper. 4. We recommend that we are linked with one of the following Shutlanger, Stoke Bruerne, Tiffield as these have proximity to Blisworth so share similar issues as well as sharing tow-paths, foot paths and road systems. Kind regards, Angela Billing, Clerk to Blisworth Parish Council
