Comment text:

Responses collated from East Haddon Parish Councillors. General consensus is current arrangements work. This is where residents in East Haddon access various services: Doctor's surgeries. Villagers either use Guilsborough or Long Buckby as they are the two nearest Secondary school. Catchment school is Guilsborough Academy Post office. Many use the one in Crick. There is one in Great Brington and Long Buckby Church. East Haddon is part of the Spencer Benefice with Church Brampton, Harlestone, Wilton, Norton and Great Brington. East Haddon Primary School. Due to decreasing numbers of children from the village the intake now includes children from West Haddon, Long Buckby, Daventry, Duston. In the past there have also been children from Ravensthorpe even though Guilsborough is their catchment school. The Red Lion is the village pub but not sure how popular it is with residents. There is no shop in the village, the nearest being Great Brington, Ravensthorpe or Long Buckby Supermarkets are either Northampton Daventry or Rugby Dentists - wherever you can find one! Library hub in Long Buckby Doctors in Long Buckby Schools in the villages and main in Guilsborough. Dentist in Long Buckby. From my point of view East Haddon links mainly with Long Buckby and Guilsborough. Long Buckby: Supermarkets Chemist Dentist Birthday cards and presents Bakery Deli Library Community Centre activities - Gardening Club etc Train station Guilsborough: Secondary School - grandchildren Doctors Shop and post office
