To whom it may concern. I have recently been made aware of the plans to change the Parish of the estate of Buckton fields from Boughton to Kingsthorpe. As a resident this causes me a lot of concern. The property was purchased on the basis of it being a part of the village of Boughton as the address suggests. As i am sure you are aware, these things influence the value of properties. If my property is part of the village of Boughton and it was bought on this basis is seems wrong and unfair to try to change the parish to Kingsthorpe which will undoubtably have an impact on the value. I strongly oppose this change as do many of the other residents of the estate.
