**Postcode:**

**Organisation Name:**

### Comment text:

To keep Buckton fields in the Boughton parish. My house was bought in this parish and I paid the rate for this. My address and postcode is Boughton. It should not switch to kingsthorpe. This has a direct impact on all the residents who purchased a property in the estate. I bought a house with Martin Grant under the confidence the property is in Boughton and this parish. I was not buying a property in kingsthorpe.
