Comment text:

Dear Sirs, We have read with interest the Commission's proposals for Beaconsfield contained in the report New Electoral Arrangements for Buckinghamshire Council – Draft Recommendations. We thank the Commission for considering our requests with regard to uniting the town of Beaconsfield to include the New Town and Old Town into a single unitary ward, coterminous with the Beaconsfield Parish Ward boundary. Beaconsfield Town Council supports this proposal for the new ward boundary in the Commission's recommendations. Regards Alexa Collins Town Clerk
