Comment text:

Suckley Parish Council wish to to register their objection to the draft proposals re Malvern Hills District Council Ward boundaries, and re-emphasize their view that Leigh & Bransford parishes and Alfrick & Lulsley Parishes should not be split. Suckley Parish should be included in a reconstructed Leigh & Rushwick Ward, with a preference for two District Councilors for this Ward area. (see previous submission - 26/08/21)
