Comment text:

I am writing on behalf of Britwell Parish Council which considered the Commission's draft proposals at its meeting on 20 July 2022. The Council were pleased to note that the Commission accepted the Council's earlier submission that requested that Britwell Parish be wholly contained within one borough ward and to provide for the retention of 'Britwell' in the ward name. The Council expresses its support for the Commission's draft recommendations for this ward.
