Good Afternoon

At its meeting of the 5<sup>th</sup> March 2020 Sandhurst Town Council, following a review of the options for Sandhurst Town, determined that the ward pattern submitted by Bracknell Forest Borough Council in its response to the LGBCE consultation should be supported as the submission from Sandhurst Town Council both for the whole Borough recommendations and those specifically relevant to Sandhurst Town. In support of our submission I attach the motion that was approved unanimously by full council. We look forward to receiving your draft recommendations on 2<sup>nd</sup> June.

Regards
