We wish to protest in the strongest terms regarding the movement our of property from Penn Ward to Blakenhall. This move has been proposed in an underhand way without any public notice by either Government or Local Authority. There is no logical reason for the boundary changes. We have lived in our property in excess of 40 years under Penn. We chose to live in Penn and do not wish to be seen to come under Blackenhall. We can see the value of our property being eroded and this affects the inheritance of our children. Penn Ward has similarities with Merry Hill, Tettenhall and Wightwick Wards and these are recommended to remain as they are. The test around clear boundaries is compromised and will leave Penn Ward with no strong and identifiable boundaries.
